

CERTIFICATE OF REGISTRATION

This is to certify that:

Australian Sustainable Hardwoods Pty Ltd

ABN 72 151 841 431

Weir Road, Heyfield. VIC 3858, Australia.

operates a structural timber testing system for continuous monitoring of modulus of elasticity that complies with the requirement of AS 4490 Timber-Solid-Stress-graded for structural purposes - verification of properties.

SCOPE

The monitoring ensures solid structural grade timber meets the physical properties of A17 as outlined in AS 2082.

Originally Certified: January 2000

Issued: 15 January 2018

Expiry: 15 January 2023
