Project Reassessment and validity extension of assessment and regulatory information report 45980

Dear Boris Iskra,

This letter is to confirm the extension of the validity of the assessment and regulatory information reports identified below.

Project number	Report no.	Report title	Current expiry date	New expiry date
FAS180335	45980.10	An assessment of solid timber wall and ceiling linings in accordance with AS 5637.1:2015	31 December 2023	30 November 2024
	RIR 45980.10			

We confirm that the validity of the above reports has been extended until 30 November 2024. This interim extension allows for a reassessment of the technical justifications, baseline test evidence, and conclusions in these reports in accordance with assessment protocols.

Kind regards
