ASH

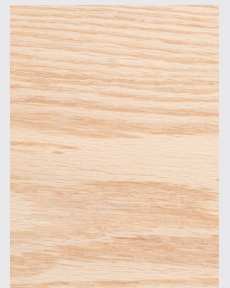

Satisfy any design specification with
Glacial Oak

Quality – Reliable – Attractive – Affordable – Set dimension – Well graded – Price stability – Compliance to Australian requirements – Glacial Oak has the lot.

Glacial Oak is ASH's brand of a unique American Oak species from a slow-growing region in Northern America and processed in Australia. Specifically hand-picked by region and colour to give you a consistently blonde appearance, Glacial Oak can be easily stained to suit a specific design intent, accepting all types of oils.

Get in touch with a Glacial Oak specialist at sales@ash.com.au or **03 5139 7001**.

Please note the purpose of this document is to show the vast and attractive staining options that can be achieved using Glacial Oak. ASH, however, does not offer pre-coating services.
