

GENERAL LABOURERS & MACHINE OPERATORS

Multiple Positions

- Full time and casual roles available
- 9-Day fortnight
- Immediate start
- Above award rates

Australian Sustainable Hardwoods (ASH) is Australia's leading hardwood sawmill and timber manufacturer, based in Heyfield, Central Gippsland. We're known for our innovation, quality products, and commitment to sustainability and continuous growth. With 13 manufacturing centres and a strong focus on community and employee wellbeing, ASH is proud to be an employer of choice in the region.

As we continue to grow our plantation hardwood processing capacity and the range of products produced, we're seeking motivated and reliable individuals to join our team in the following roles:

- General labourers
- Machine operators
- Machine technicians

Why work with ASH?

- Secure employment with an industry leader
- 9-day fortnight
- Onsite exercise physiologist to support your health
- Access to counselling services
- Drug & alcohol-free workplace for your safety
- Be part of a company deeply involved in the local Heyfield Community

We are looking for candidates with the following attributes:

Essential:

- Reliable with a strong work ethic
- Experienced in general labour or similar roles
- Team player with the ability to take direction
- Commitment to workplace safety
- Physically fit and capable of manual work
- Mechanically minded

Desirable:

- Previous experience working in manufacturing or a timber processing environment
- Current forklift licence
- Basic understanding of machinery and maintenance

Are you are looking for a change of role or a new opportunity? Do you want to be part of an organisation creating renewable products for a sustainable future? Send your CV and cover letter to jobs@ash.com.au by Friday May 12, 2025. To learn more about ASH, visit ash.com.au.
